All vendors must complete set up by 3:45pm and have vehicles removed from inside the fairgrounds. Selling will not begin before 4:00pm and will end promptly at 7:00pm on each market day. All property of the vendor must be vacated from their market site no later than 8:00pm. Vendors **must** stay for the 3 hour duration. **NO EARLY TAKE DOWN PERMITTED**
- 2) **Products to be sold:** Products to be sold will be admitted at the discretion of the Market Manager based on items listed on the Vendor Agreement. If additional items are to be sold please see the Market Manager **BEFORE** set up. Vendors selling “like items” may be limited. All food handlers must have a Food Handlers Permit from the Health Department.
  - **All Producers:** Fresh food products they have personally prepared; meats, seafood, ciders, jams, jellies, baked goods, must meet all federal, state and local health requirements and have necessary licensing as well as any farm raised meats or eggs. A copy of said license or permit should be given to the market manager prior to set up.
  - **Resellers:** One who sells produce purchased directly from the farmer in Washington or bordering areas directly to the consumer
  - **Farmers:** One who raises produce, animals or plants to be sold at the market.
- 3) **Artists & Crafters:** Persons who create with their own hands, made with organic materials, no plastics. Acceptable are: woodworking, quilting, pottery, hand woven or handspun items, metalwork, basket weaving, stained glass, paintings, etc. No clothing or resale items.
- 4) **Notification of Attendance:** Vendors must give a minimum 48 hour notice if they have signed up for a specific date and are unable to attend. Failure to notify Market Manager within 48 hours may result in the loss of your pre-arranged space or termination of market participation. Vendors who arrive late or need to leave early **MUST** notify the Market Manager as soon as possible.
- 5) **Booth Appearance :** Vendors must provide their own tables and chairs and clearly display the name of their business(Banners can be hung in the cow barn) and post prices for all items being sold. All items will be displayed in a clean, orderly and professional looking booth. Tables should be covered if possible. Food must be at least 18” off the ground. Booths that are pleasing to the eye and well stocked do a better business usually.
- 6) **Cleanup:** Vendors are responsible for cleaning all bi-products from their products, trash, and waste within and around their allotted space. Failure to do so may result in a \$20.00 clean up fee. Garbage bins are provided on site.
- 7) **Application:** All new and returning vendors must complete an application each year. You must list the types of products to be sold during the season. This helps us to ensure a good variety at the market.
- 8) **Liability:** Vendor bears sole responsibility for his/her booth and contents. The Wahkiakum County Fairgrounds, Market Manager and affiliates are not liable for any loss or injury due to theft, weather or any other cause while a vendor is setting up, attending or breaking down after the market.
- 9) **Non Compliance:** The market reserves the right to refuse acceptance of any vendor or item that is not in keeping with the rules or quality of the Market Criteria or Guidelines.
- 10) **Canopy** All canopies or booth covers must have weights on all legs from the time they are erected to the time they are torn down. This rule applies regardless of weather conditions. Weights of approximately 25 pounds each are required, but you are responsible for making sure the weight you

use is sufficient. Any vendor who fails to secure a canopy properly may not be allowed to vend that day unless the canopy is removed, and the vendor sells without it. Additional fines and disciplinary action may be applied as well. Market management enforces this rule strictly.

11) **Cost: ALL fees will be paid to the Market Manager at the end of the day. You will be issued a space prior to set up.**

Cost is \$10.00 for inside booth spaces 10'x10' (cow barn), Co-Op vendors cost is \$45.00 Monthly, and \$10.00 for Outside spaces 10'x10'. (your own canopy)

1. The intent of the Market is to present a fresh, natural, unusual, and varied eating experience .We encourage the creative use of locally grown and produced products. Food vendors are encouraged to support local growers whenever possible. In order to achieve variety and high quality, vendors are expected to present their own unique products.
2. All menu items must be approved at the time of application to be eligible for sale. As vendors are encouraged to highlight seasonal products, seasonal menu items will be allowed with approval of the fairground manager.

Cooking items should be taken to your commercial kitchen to be sanitized after the market day.
