Judy Taylor has been hooking rugs and teaching rug hooking for over thirty years. No matter how many rugs she has made, she keeps on dreaming about the next one! Her award-winning books on rug hooking take the artist from beginner to mastery, with a wide variety of materials and techniques. Her rugs can be viewed at www.littlehouserugs.com.

Class cost: \$65 total (includes kit and hook)

All-In-One Beginning Rug Hooking:

Rug hooking is so versatile, you can hook with almost anything! In this class, students will learn how to hook with yarn, T-shirt strips and wool fabric strips, so they'll be able to go home to their 'stash' and say, "Yup, I can hook with that!" We'll also cover all the basics, like getting your design on the backing, how much yarn or fabric it takes, how to hem rugs so they last for generations, how to clean and care for hooked rugs, and much more.

Beginners welcome!

Three hours

Materials fee is covered in the class cost. Students will receive a kit with the pattern on burlap, yarn, T-shirt strips and wool fabric strips, written instructions, a color photo of the finished mat, and a rug hook.

Minimum 5, maximum 10 Students, if I'll be in the same long space. Extra kits will be available for walk in's.

Students should bring scissors and wear long pants, since they'll be wrapping the backing around their legs. I'll also bring some frames for people who don't like wrapping themselves up in burlap!
